§ 1-50(a)

Within six years an action -

- (1) Repealed by Session Laws 1997-297, s. 1.
- (2) Against an executor, administrator, collector, or guardian on his official bond, within six years after the auditing of his final account by the proper officer, and the filing of the audited account as required by law.
- (3) For injury to any incorporeal hereditament.
- (4) Against a corporation, or the holder of a certificate or duplicate certificate of stock in the corporation, on account of any dividend, either a cash or stock dividend, paid or allotted by the corporation to the holder of the certificate or duplicate certificate of stock in the corporation.
- (5)
 - a.No action to recover damages based upon or arising out of the defective or unsafe condition of an improvement to real property shall be brought more than six years from the later of the specific last act or omission of the defendant giving rise to the cause of action or substantial completion of the improvement.
 - b.For purposes of this subdivision, an action based upon or arising out of the defective or unsafe condition of an improvement to real property includes:
 - 1.Actions to recover damages for breach of a contract to construct or repair an improvement to real property;
 - 2.Actions to recover damages for the negligent construction or repair of an improvement to real property;

- 3.Actions to recover damages for personal injury, death or damage to property;
- 4.Actions to recover damages for economic or monetary loss;
- 5.Actions in contract or in tort or otherwise;
- 6.Actions for contribution indemnification for damages sustained on account of an action described in this subdivision;
- 7.Actions against a surety or guarantor of a defendant described in this subdivision;
- 8.Actions brought against any current or prior owner of the real property or improvement, or against any other person having a current or prior interest therein;
- 9.Actions against any person furnishing materials, or against any person who develops real property or who performs or furnishes the design, plans, specifications, surveying, supervision, testing or observation of construction, or construction of an improvement to real property, or a repair to an improvement to real property.

c.For purposes of this subdivision, "substantial completion" means that degree of completion of a project, improvement or specified area or portion thereof (in accordance with the contract, as modified by any change orders agreed to by the parties) upon attainment of which the owner can use the same for the purpose for which it was intended. The date of substantial completion may be established by written agreement.

d.The limitation prescribed by this subdivision shall not be asserted as a defense by any person in actual possession or control, as owner, tenant or otherwise, of the improvement at the time the defective or unsafe condition constitutes the proximate cause of the injury or death for which it is proposed to bring an action, in the event such person in actual possession or control either knew, or ought reasonably to have known, of the defective or unsafe condition.

e.The limitation prescribed by this subdivision shall not be asserted as a defense by any person who shall have been guilty of fraud, or willful or wanton negligence in furnishing materials, in developing real property, in performing or furnishing the design, plans, specifications, surveying, supervision, testing or observation of construction, or construction of an improvement to real property, or a repair to an improvement to real property, or to a surety or guarantor of any of the foregoing persons, or to any person who shall wrongfully conceal any such fraud, or willful or wanton negligence.

f.This subdivision prescribes an outside limitation of six years from the later of the specific last act or omission or substantial completion, within which the limitations prescribed by G.S. 1-52 and 1-53 continue to run. For purposes of the three-year limitation prescribed by G.S. 1-52, a cause of action based upon or arising out of the defective or unsafe condition of an improvement to real property shall not accrue until the injury, loss, defect or damage becomes apparent or ought reasonably to have become apparent to the claimant. However, as provided in this subdivision, no action may be brought more than six years from the later of the specific last act or omission or substantial completion.

g.The limitation prescribed by this subdivision shall apply to the exclusion of G.S. 1-15(c), G.S. 1-52(16) and G.S. 1-47(2).

- (6) Repealed by Session Laws 2009-420, s. 1, effective October 1, 2009, and applicable to causes of action that accrue on or after that date.
- (7) Recodified as G.S. 1-47(6) by Session Laws 1995 (Regular Session, 1996), c. 742, s. 1.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
