§ 1-567.49(b) If there is no agreement under subsection (a) of this section, subject to the provisions of this Article, the tribunal shall select the rules for conducting the arbitration after hearing all the parties and taking particular reference to model rules developed by arbitration institutions or similar sources. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
