§ 1-567.65(a) Subject to the relevant provisions of federal law and any applicable international agreement in force between the United States of America and any other nation or nations, upon application of a party, the court shall confirm an arbitral award, unless it finds grounds for modifying or vacating the award under G.S. 1-567.64. PINPOINT

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
