

CHAPTER 102

N.C.G.S. § 102-17.

County projects eligible for assistance.

SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	S.L. 2015-241, s. 14.30(s) — seventh act in the lineage	21 September 2026, 02:05 UTC	c2d20793e6ee34b9715ab8c1 - d5c89c3a1a169c0162d20cd0 - 6a558a4fd3c9f5e9

All projects funded under this assistance program shall be described as conforming to one or more of the project outlines defined herein. All projects shall achieve a substantial measure of conformity with the objectives set forth in these project outlines such that a greater degree of statewide standardization of land records will result. The Secretary shall prepare and make available to all counties administrative regulations designed to assist the counties in preparing project plans and applications for assistance, and to assure compliance with the objectives and other requirements of G.S. 102-15, 102-16, and this section. County projects shall be eligible for assistance subject to availability of funds, compliance with administrative regulations, and conformity with one or more of the project outlines as follows:

Base Maps. - Preparation of accurate planimetric or orthophoto maps with countywide coverage at one or more scale ratios suitable as a base for the development and maintenance of current cadastral maps. These maps shall have additional information included where appropriate to increase their utility for other purposes. The formulation of technical standards and detailed specifications and the coordination of all such mapping projects with other State mapping programs shall be the responsibility of the Department of the Secretary of State. Insofar as possible mapping projects funded under this assistance program shall utilize existing photography, geodetic control surveys, and previously mapped information, and be coordinated or combined with adjacent or related mapping projects to achieve the best efficiency and economy consistent with the maintenance of high quality map production.

Cadastral Maps. - Preparation of accurate maps of all property boundaries together with other supporting information and based on up-to-date planimetric or orthophoto maps conforming to the specifications for base maps outlined in subdivision (1) of this section. The formulation of specifications and standards for these cadastral maps shall be the responsibility of the Department of the Secretary of State. These specifications and standards shall be designed to conform to the best acceptable practice for county land records in North Carolina. The cadastral maps shall be scheduled as nearly as possible to be completed and made available for the next revaluation cycle to be undertaken by each county and the maps shall include

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
