SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	c. 480, s. 1 — first act in the lineage	21 September 2026, 05:38 UTC	e5ffe5d951de79eb116ce758 - 9e2aa8f670985e801c69e029 - d419213137594732

A license to dispose of radioactive waste materials on land shall include a legal description of the disposal site that would be sufficient as a description in an instrument of conveyance. The license to dispose of radioactive waste materials shall not be effective unless the owner of the disposal site files a certified copy of the license in the register of deeds' office in the county or counties in which the site is located. The register of deeds shall record the certified copy of the license and index it in the grantor index under the name of the owner of the land. When any such site is sold, leased, conveyed or transferred in any manner, the deed or other instrument of transfer shall contain in the description section in no smaller type than that used in the body of the deed or instrument a statement that the property has been used as a disposal site for radioactive waste materials and a reference by book and page to the recordation of the license.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
