General Statutes of North Carolina, as published by the General Assembly	c. 850, s. 9 — first act in the lineage	21 September 2026, 05:12 UTC	8e3c01d1e5287655cdf3e3 - e20aeb8fe59be22f8e177fdf - d62b2b3766c91d6f

The Commission shall provide by regulation for the licensing of access to any low-level radioactive waste facility located in the State. No person shall send waste to a low-level radioactive waste facility unless licensed or otherwise authorized to do so by the Department. No low-level radioactive waste facility shall receive waste from any source not licensed by the Department except as may be otherwise specifically authorized by the Department. Such regulations shall provide, at a minimum, for amendment, suspension, or revocation of licenses, and for authorization for access to a low-level radioactive waste facility by the Department on a temporary or emergency basis. Each application for a license or amendment shall be in writing and shall include such information as may be required by regulation, and such additional information as the Department deems necessary. The application for a license shall set forth the manner in which the applicant plans to comply with the requirements of this Chapter and regulations promulgated thereunder. Upon receipt of an application under this section the Department shall review the application and shall issue a license only if it finds that the applicant is fully qualified under all applicable laws and regulation.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
