The Secretary must give information on refunds of tax made under this Article to a designated county or city official within 30 days after the official makes a written request to the Secretary for the information. For a request made by a county official, the Secretary must give the official a list of each claimant that received a refund in the past 12 months of at least one thousand dollars (\$1,000) of tax paid to the county. For a request made by a city official, the Secretary must give the official a list of each claimant that received a refund in the past 12 months of at least one thousand dollars (\$1,000) of tax paid to all the counties in which the city is located. The list must include the name and address of each of these claimants and the amount of the refund received from each county covered by the request.

A claimant that has received a refund under this Article of tax paid to a county must give information on the refund to a designated official of the county or a city located in the county. The claimant must give the information to the county or city official within 30 days after the official makes a written request to the claimant for the information. For a request by a county or city official, the claimant must give the official a copy of the request for the refund and any supporting documentation requested by the official to verify the request. If a claimant determines that a refund it has received under this Article is incorrect, the claimant must file an amended request for a refund.

For purposes of this section, a designated county official is the chair of the board of county commissioners or a county official designated in a resolution adopted by the Board, and a designated city official is the mayor of the city or a city official designated in a resolution adopted by the city's governing board. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
