§ 105-187.77(a) Purpose. - An excise tax is levied on the privilege of engaging in the severance of energy minerals from the soil or water of this State. The tax is imposed on the producer of the energy mineral. The purpose of the tax is to provide revenue to administer and enforce the provisions of this Article, to administer the State's natural gas and oil reclamation regulatory program, to meet the environmental and resource management needs of this State, and to reclaim land affected by exploration for, drilling for, and production of natural gas and oil. The severance tax is imposed upon all energy minerals severed when sold.

§ 105-187.77(b) Calculation of Tax. - The amount of the severance tax is calculated as follows:

- (1) Condensates. - The applicable percentage rate of the gross price paid.
- (2) Gas. - The applicable percentage rate of the market value as determined in G.S. 105-187.78.
- (3) Oil. - The applicable percentage rate of the gross price paid.

§ 105-187.77(c) Oil and Condensates Rate. - The percentage rate for condensates and oil is five percent (5%).

§ 105-187.77(d) Marginal Gas Rate. - The producer of a proposed or existing gas well may apply to the Commission for a determination that the well qualifies as a marginal gas well. The producer may elect to have the gas taxed at the marginal gas rate or the gas rate. For severance of gas from a marginal gas well the percentage rate is eight-tenths of one percent (0.8%).

§ 105-187.77(e) Gas Rate. - The percentage rate for gas is set in the table below. The tax rate is applied to the delivered to market value of the gas sold.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
