§ 105-449.69A(a) Temporary License. - The Secretary may grant a temporary license to an applicant to import, export, distribute, or transport motor fuel in this State in response to a state of emergency or a disaster declaration. The terms "state of emergency" and "disaster declaration" have the same meaning as defined in G.S. 166A-19.3. A temporary license is effective on the date the applicant engages in business in this State and expires 30 days after that date. Prior to the expiration of the temporary license, the licensee may request, on a form prescribed by the Secretary, that the license be extended for an additional 30 days, if the state of emergency or disaster declaration remains in effect. A temporary license issued under this section may not be renewed or a new temporary license granted if the licensee failed to comply with this Article.

§ 105-449.69A(b) Requirements. - To obtain a temporary license, a person must file an application with the Secretary on a form prescribed by the Secretary within seven calendar days of engaging in business in this State. The application must be filed prior to the termination of the state of emergency or disaster declaration and must include all of the following information:

- (1) The legal name of the business and the trade name, if applicable, under which the person will transact business within the State.
- (2) The federal identification number of the business or, if such number is unavailable, the Social Security number of the owner.

- (3) The location, with a street number address, of the principal office or place of business and the location where records will be made available for inspection.
- (4) Any other information required by the Secretary.

§ 105-449.69A(c)

The Secretary may issue a temporary license under this section as an importer, exporter, distributor, or transporter without requiring the applicant to file with the Secretary a bond or an irrevocable letter of credit, as otherwise required by G.S. 105-449.72, and without requiring the applicant to be authorized to transact business in this State with the Secretary of State. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
