General Statutes of North Carolina, as published by the General Assembly	S.L. 2011-145, s. 13.25(gg), (hh) — second act in the lineage	21 September 2026, 02:13 UTC	52bd08551dbf2a755ad76f72 - e2add8f8a985a1b4750c26cc - 400b2aaf9e0008a8

The Commissioner shall have authority to administer the cost sharing provisions of this Article, including but not limited to the following:

Prescribe the manner and requirements of making application for cost sharing funds.

Identify those approved forestry practices as defined in G.S. 106-1012(2) which shall be approved for cost sharing under the provisions of this Article.

Review periodically the cost of forest development practices and establish allowable ranges for cost sharing purposes for approved practices under varying conditions throughout the State.

Determine, prior to approving forest development cost sharing payments to any landowner, that all proposed practices are appropriate and are comparable in cost to the prevailing cost of those practices in the general area in which the land is located. Should the Commissioner determine that the submitted cost of any practice is excessive, he shall approve forest development cost sharing payments based upon an allowable cost established under G.S. 106-1014(3).

Determine, prior to approving forest development cost sharing payments, that an approved forest management plan as defined in G.S. 106-1012(1) for the eligible land has been filed with the Commissioner and that the landowner has indicated in writing his intent to comply with the terms of such management plan.

Determine, prior to approving forest development cost sharing payments, that the approved practices for which payment is requested have been completed in a satisfactory manner, conform to the approved forest management plan submitted under G.S. 106-1014(5), and otherwise meet the requirements of this Article.

Disburse from the Forest Development Fund to eligible landowners cost sharing payments for satisfactory completion of practices provided for by this Article and the Commissioner shall, insofar as is practicable,

disburse the funds from the State's appropriation on a matching basis with the funds generated by the Primary Forest Product Assessment.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
