§ 106-145.3(a) Requirement. - Every wholesale distributor engaged in the wholesale distribution of prescription drugs in interstate commerce in this State shall obtain a license from the Commissioner for each location from which prescription drugs are distributed and shall renew each license annually. A license may cover multiple buildings and multiple operations at a single location, at the wholesale distributor's discretion. A license expires on December 31 of the year in which it is issued. A wholesale distributor licensed under this section is not required to register under G.S. 106-140.1. In lieu of licensing under this section, a wholesale distributor who has no facilities in this State may register under G.S. 106-140.1 if the wholesale distributor possesses a valid license granted by another state that has requirements substantially similar to this Article.

§ 106-145.3(b) Reciprocity. - The Commissioner may license an out-of-State wholesale distributor on the basis of reciprocity with another state when the following conditions apply:

- (1) The out-of-State wholesale distributor possesses a valid license granted by another state pursuant to requirements substantially equivalent to the license requirements of this State.
- (2) The other state extends reciprocal treatment under its own laws to wholesale distributors licensed in this State.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
