All fruit, vegetable, grain, poultry, egg and egg products graders employed by the Board in positions in fact permanent and full-time, but who were inadvertently or incorrectly classified as temporary until January 1, 1974, shall be given aggregate State service credit for the period of employment before January 1, 1974. Employees given retroactive aggregate State service credit under this section shall receive retroactive longevity pay, to the extent for which they would have been eligible for longevity pay if they had been correctly classified from the date of their initial employment, for all service beginning January 1, 1974, until August 1, 1977, with any longevity pay actually paid to be subtracted therefrom.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
