To enforce the provisions of this Article effectively, the Commissioner of Agriculture and his duly authorized agents are authorized to inspect vegetable plants, and may enter any place of business, warehouse, common carrier or other places where such vegetable plants are stored or being held, for the purpose of making such an inspection; and it shall be unlawful for any person, firm or corporation in custody of such vegetable plants or of the place in which the same are held to interfere with the Commissioner or his duly authorized agents in making such inspections. When the Commissioner or his authorized inspectors find vegetable plants being held, offered or exposed for sale in violation of any of the provisions of this Article or any rule or regulation adopted pursuant thereto, he may issue a "stop-sale notice" to the owner or custodian of any such vegetable plants and shall tag such plants as are in violation. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
