SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	s. 4895(v) — second act in the lineage	21 September 2026, 05:36 UTC	a5a46fe77aee8d1a048d6f84 - e672e50eaef1c3c52629fa63 - fc30058cf7cffd35

Any person or persons, firms or corporations, owning or having in charge any cattle, horses or mules in any county where tick eradication shall be taken up, or is in progress under existing laws, shall, on notification by any quarantine inspector to do so, have such cattle, horses or mules dipped regularly every 14 days in a vat properly charged with arsenical solution as recommended by the United States Bureau of Animal Industry, under the supervision of said inspector at such time and place and in such manner as may be designated by the quarantine inspector. The dipping period shall be continued as long as may be required by the rules and regulations of the State Board of Agriculture, which shall be sufficient in number and length of time to completely destroy and eradicate all cattle ticks (*Margaropus annulatus*) in such county or counties.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
