The Commissioner is authorized to enter upon any public or private property with permission or with a proper court order during normal business hours for the purpose of inspecting or sampling any soil additive to determine if such additive is being distributed in compliance with the provisions of this Article. In the examination of such samples, the Commissioner may rely on such tests as he may establish as necessary for the enforcement of this Article.

## APPARATUS III

## Citation

## FULL SECTION

N.C. Gen. Stat. § 106-50.36 (1977).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
