SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT c. 349, s. 5 — fourth act in the lineage	RETRIEVED 21 September 2026, 04:21 UTC	SOURCE FINGERPRINT 0683c9e69067ddcb50c6161c - 5a4cfa352d5c05f6133b6eef - 85973dfadd8f6e2c

At any time when it may be found by the Board of Directors of Tobacco Associates, that it is not reasonably feasible to base the authorization of an assessment or the making of an assessment or the collection of an assessment on a "per-acre" unit, then the Board of Directors of Tobacco Associates, by an affirmative vote of not less than two thirds of its members (which vote shall include the affirmative vote of not less than two thirds of the board members who were elected by North Carolina farm organizations), may use a "tobacco poundage" unit as the basis for the authorization or making or collecting an assessment. No alternative assessment for any year after 1988 shall exceed one-fifth cent (1/5¢) per pound of the flue-cured tobacco marketed by each farmer. The amount of any alternate assessment, based upon a "tobacco poundage" unit as permitted by the provisions of this section shall not be related to or limited by the amount of the assessment which could be authorized, made or collected if it were based upon a "per-acre" unit.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
