General Statutes of North Carolina, as published by the General Assembly	S.L. 2023-63, s. 1.2(d) — tenth act in the lineage	21 September 2026, 04:19 UTC	71bdc737aeb17aed671c6d6 - 5274710b5f1373e811fb3f14 - fb9b04d86464b575

§ 106-568.8(a) Fertilizer and feed assessments. In the event two-thirds or more of the eligible farmers and producers participating in said referendum vote in favor of such assessment, then said assessment shall be collected for a period of six years under rules, regulations, and methods as provided for in this Article. The assessments shall be added to the wholesale purchase price of each ton of fertilizer, commercial feed, and/or their ingredients (except lime and land plaster) by the manufacturer of said fertilizer and feed. The assessment so collected shall be paid by the manufacturer into the hands of the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feeds and fertilizers as prescribed by G.S. 106-284.40 and 106-671. The Commissioner shall then remit the assessment for the total tonnage as reported by all manufacturers of commercial feeds, fertilizers, and their ingredients to the treasurer of the North Carolina Agricultural Foundation, Inc., who shall disburse such funds for the purposes herein enumerated and not inconsistent with provisions contained in the charter and bylaws of the North Carolina Agricultural Foundation, Inc. Signed copies of the receipts for such remittances made by the Commissioner to the treasurer of the North Carolina Agricultural Foundation, Inc., shall be furnished the Commissioner of Agriculture, the North Carolina Farm Bureau Federation, and the North Carolina State Grange. The treasurer of the North Carolina Agricultural Foundation, Inc., shall make an annual report at each annual meeting of the Foundation directors of total receipts and disbursements for the year and shall file a copy of said report with

the Commissioner of Agriculture and shall make available a copy of said report for publication.

It shall be the duty of the Commissioner of Agriculture to audit and check the remittances of the assessment by the manufacturer to the Commissioner in the same manner and at the same time as audits and checks are made of remittances of the inspection tax on commercial feeds and fertilizers.

Any commercial feed excluded from the payment of the inspection fee required by G.S. 106-284.40 shall nevertheless be subject to the assessment provided for by this Article and to quarterly tonnage reports to the Department of Agriculture and Consumer Services as provided for in G.S. 106-284.40(c).

§ 106-568.8(b)

Tobacco Poundage Assessments. In the event two-thirds or more of the eligible farmers and producers participating in the tobacco referendum vote in favor of the tobacco poundage assessment authorized under this Article, then said assessment shall be collected for a period of six years under rules, regulations, and methods adopted by the North Carolina Tobacco Research Commission. The North Carolina Tobacco Research Commission is exempt from the provisions of Chapter 150B of the General Statutes.

The assessments collected shall be remitted to the Department of Agriculture and Consumer Services to be expended under the direction of the Tobacco Research Commission for research and dissemination of research facts concerning tobacco. Any person that receives assessment funds from the Tobacco Research Commission shall file quarterly written reports with the Tobacco Research Commission on the receipt and expenditure of assessment funds. The Tobacco Research Commission may transfer assessments to the North Carolina Agricultural Foundation, Inc., to be held and invested by the Agricultural Foundation until such time as the Commission shall direct their expenditure for the purposes set forth in this section.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
