General Statutes of North Carolina, as published by the General Assembly	S.L. 2011-145, s. 31.8(b) — fourteenth act in the lineage	21 September 2026, 07:06 UTC	5892444bce58ebc71667423a - 2c6fb97cfb4004f1beca990c - f54f1b74859c531b

§ 106-65.31(a)

Certified Applicator's Identification Card. - The fee for issuance or renewal of a certified applicator's identification card shall be fifty dollars (\$50.00). Within 75 days after the employment of a certified applicator, the licensee shall apply to the Division for the issuance of a certified applicator's identification card. A certified applicator's identification card shall expire on June 30 of each year and shall be renewed annually. All certified applicators who fail or neglect to renew their card on or before June 30 but make application before January 1 of the following year may have their card renewed without having to be reexamined unless the applicant is scheduled for periodic reexamination under regulations adopted pursuant to G.S. 106-65.27(d)(3). All applicants submitting applications for the renewal of their cards after June 30 shall not use or supervise the use of restricted use pesticides until a new card has been issued.

Any certified applicator whose employment is terminated with a licensee or agent prior to the end of any license year may at any time prior to the end of the license year be reissued a certified applicator's identification card for the remainder of the license year as an employee of another licensee or agency or as an individual for a fee of five dollars (\$5.00). The licensee shall notify the Division of the termination or change in status of any certified applicator.

Any certified applicator whose identification card is lost or destroyed or changed in any way may be reissued a new card for the remainder of the license year for a fee of five dollars (\$5.00).

§ 106-65.31(b)

License. - The fee for the issuance or renewal of a license for any one phase of structural pest control shall be two hundred dollars (\$200.00). Each additional phase shall be seventy-five dollars (\$75.00). The fee for each subphase shall be fifteen dollars (\$15.00). Licenses shall expire on June 30 of each year and shall be renewed annually. All licensees who fail or neglect to renew their license on or before June 30, but who make application before January 1 of the following year, may have their license renewed without having to be reexamined, unless the applicant is scheduled for periodic reexamination under regulations adopted pursuant to G.S. 106-65.27(d)(3). No structural pest control work may be performed until the license has been renewed or until a new license has been issued.

Any licensee whose employment is terminated by his employer or any licensee who is transferred to another company or location other than the company or location shown on his license certificate, may at any time, have his license reissued for the remainder of the license year for a fee of ten dollars (\$10.00).

Any licensee whose license is lost or destroyed may secure a duplicate license for a fee of ten dollars (\$10.00).

§ 106-65.31(b1)

Registration. - Within 75 days after the hiring of an employee who is either an estimator, salesman, serviceman, or solicitor, the licensee shall apply to the Division for the issuance of an identification card for such employee. The application must be accompanied by a fee of forty dollars (\$40.00) for each card. The card shall be issued in the name of the employee and shall bear the name of the employing licensee, the employer's license number and phases, the name and address of the employer's business, and such other information as the Committee may specify. The identification card shall be carried by the employee on his person at all times while performing any phase of structural pest control work. The card must be displayed upon demand by the Commissioner, the Committee, the Division, or any representative thereof, or the person for whom any phase of structural pest control work is being performed. A registered technician's identification card must be renewed annually on or before June 30 by payment of a renewal fee of forty dollars (\$40.00). If a card is lost or destroyed the licensee may secure a duplicate for a fee of five dollars (\$5.00). The licensee shall notify the Division of the termination or change in status of any registered technician. All identification cards expire when a license expires.

When a license is reissued, the licensee shall be responsible for registering and securing identification cards for all existing employees who engage in structural pest control within 10 days of the reissuance of the license.

A certified applicator who is not an employee of a licensed individual shall register the names of all employees under his supervision who are engaged in the performance of structural pest control with the Division and shall purchase a registered technician's identification card for each such employee.

§ 106-65.31(b2)

No person shall act as an estimator, serviceman, salesman, solicitor, or agent for any licensee under this Article nor shall any such person be issued an identification card by the Committee who has within three years of the date of application for an identification card been convicted of, plead guilty or nolo contendere, or forfeited bond in any State or federal court for a felony or any violation of the North Carolina Structural Pest Control Act or any regulation promulgated by the Committee. This provision shall not apply to any person whose citizenship has been restored as provided by law.

§ 106-65.31(b3)

No person or business shall advertise as a contractor for structural pest control services nor actually contract for such services unless that person or business advertises or contracts in the name of the company shown on the license certificate of the licensee or identification card of the certified applicator who will perform the services.

§ 106-65.31(c)

Notwithstanding any other provision of this law, the Committee may adopt rules to provide for the issuance of licenses, certified applicator's cards, and registered technician's identification cards with staggered expiration dates and may prorate renewal fees on a monthly basis to implement such rules.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
