General Statutes of North Carolina, as published by the General Assembly	c. 770, s. 28 — seventh act in the lineage	21 September 2026, 04:49 UTC	84e7d80437001c78107457da - d4170f50132a4d4368386870 - 4d162a3afd26c692

- § 106-661(a)

Any commercial fertilizer offered for sale, sold, or distributed in this State in bags, barrels, or other containers shall have placed on or affixed to the container the net weight and the data in written or printed form, required by G.S. 106-660(a), either (i) on tags to be affixed to the end of the package or (ii) directly on the package. In case the brand name appears on the package, the grade shall also appear on the package, immediately preceding the guaranteed analysis or as a part of the brand name. The size of the type of numerals indicating the grade on the containers shall not be less than two inches in height for containers of 100 pounds or more; not less than one inch for containers of 50 to 99 pounds; and not less than 1/2 inch for packages of 25 to 49 pounds. On packages of less than 25 pounds, the grade must appear in numerals at least one half as large as the letters in the brand name. In case of fertilizers sold in containers on which the brand name or other designations of the distributor do not appear, the grade must appear in a manner prescribed by the Commissioner on tags attached to the container.
- § 106-661(b)

If transported in bulk, the net weight and the data, in written or printed form, as required by G.S. 106-660(a), shall accompany delivery and be supplied to the purchaser.
- § 106-661(c)

If mixed fertilizer is sold or intended to be sold in bags weighing more than 100 pounds, each bag must have a tag attached thereto, of a type approved by the Commissioner, showing the grade of the fertilizer contained therein. Such tag must be attached on the end of each bag, approximately at the center of the sewed end of the bag: Provided, that in lieu of such tag the grade of the fertilizer may be printed on the end of the bag in readily legible numerals.

§ 106-661(d)

All labels and registrations shall carry identical guarantees for each fertilizer product requiring registration.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
