- § 106-814(a)

On July 1 of each year the Board of Agriculture shall set a milk support baseline price. The baseline price per hundredweight of milk shall be the average United States Department of Agriculture Federal Milk Market Order Class I price mover for the previous 10 years less fifty cents (50¢).
- § 106-814(b)

The Board shall adopt rules implementing the provisions of this Article. The rules shall include criteria for eligibility for distributions from the Fund, procedures for applications for distributions from the Fund, the method by which the amount of a payment to a producer shall be calculated, and the manner of payment to producers.
- § 106-814(c)

Each month the Board shall determine whether the monthly announced United States Department of Agriculture Federal Milk Market Order Class I price mover has dropped below the baseline price set for the year. If the monthly announced Class I price mover is lower than the baseline price, then each producer who meets the requirements of subsection (f) of this section shall become eligible for a distribution from the Fund in an amount equal to the difference between the baseline price and the monthly announced Class I price mover multiplied by the hundredweight of milk sold by the producer for the month.
- § 106-814(d)

Under exceptional circumstances, and in the discretion of the Board, the amount of any monthly distribution as calculated by the formula set forth in subsection (c) of this section may be increased by an amount not to exceed one dollar (\$1.00) per hundredweight of milk sold in that month.

- § 106-814(e)** Distributions shall be made to eligible producers at least quarterly, unless in the judgment of the Board the payment amounts are trivial. All payments under the Program are subject to the availability of funds.
- § 106-814(f)** To be eligible to receive assistance from the Dairy Stabilization and Growth Fund, a dairy farmer shall demonstrate to the satisfaction of the Board that they are in compliance with the following rules and regulations:
- (1) For Grade A milk producers, the federal Grade A milk regulations.
 - (2) For non-Grade A producers, Article 26 of Chapter 106 of the General Statutes and the rules implementing that Article.
- § 106-814(g)** Farmers who fail to demonstrate compliance with applicable rules and regulations shall become ineligible for assistance from the Fund until compliance is attained. (2006-139, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
