Upon receipt of a petition signed by at least fifty percent (50%) of the dairy producers in North Carolina known to the Association, the Department shall notify the Association and the Association shall, within six months, conduct a referendum upon the question of continuing the assessment. The referendum shall be conducted in the same manner as the initial referendum upon the question of whether an assessment shall be levied. If a majority of the votes cast in the referendum are against continuing the assessment, or if the Association fails to conduct a referendum within the six-month period, the assessment expires at the end of the six-month period. If a majority of the votes cast in the referendum are in favor of continuing the assessment, then no subsequent referendum shall be held for at least three years. (2023-63, s. 5.4(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
