§ 108A-118(a) The General Assembly finds that it is the public policy of this State to prevent the abuse, neglect, and exploitation of disabled adults and older adults. The General Assembly further finds that professionals from disparate disciplines have expertise that can promote the safety and well-being of disabled adults and older adults and prevent re-victimization and that multidisciplinary reviews of selected cases can lead to a greater understanding of the causes of the abuse, neglect, and exploitation of disabled adults and older adults. It is, therefore, the intent of the General Assembly, through this Article, to promote the establishment of local adult protection multidisciplinary teams.

§ 108A-118(b) The purpose of this Article is to authorize local adult protection multidisciplinary case review teams to share information pertaining to selected cases in which disabled adults and older adults are being served by adult protective services and to coordinate multiagency solutions for adult victims of abuse, neglect, and exploitation. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
