§ 108A-26.2(a) Subject to subsection (b) of this section, a department of social services shall not grant public assistance under Part 2 or Part 5 of Article 2 of Chapter 108A of the General Statutes if the department receives information described in G.S. 108A-26.1 that the applicant for or recipient of program assistance is subject to arrest under an outstanding warrant arising from a charge of violating conditions of parole or probation or from a felony charge against that applicant or recipient in any jurisdiction. This section does not affect the eligibility for assistance of other members of the applicant's or recipient's household. An applicant or recipient described in this section is eligible for program assistance if all other eligibility criteria of the law are met when the applicant or recipient is no longer subject to arrest under an outstanding warrant as described in this section.

§ 108A-26.2(b) If federal approval is required in order to prevent the loss of federal reimbursement as a result of the application of this section to an applicant for or recipient of program assistance, the Department of Health and Human Services shall promptly take any action necessary to obtain federal approval. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
