The Department of Health and Human Services shall ensure that the eligibility criteria for Medicaid home- and community-based waivers allow the dependent of a member of the Armed Forces of the United States to maintain the dependent's waiver status upon the transfer of the service member to an assignment outside of North Carolina, so long as the service member maintains the State of North Carolina as the legal residence to which the service member intends to return following completion of military service and the dependent meets Medicaid eligibility criteria and all other waiver eligibility criteria upon returning to North Carolina. Consequently, a dependent who is on the waiting list for a waiver slot shall maintain the dependent's position on the waiting list. A dependent who was receiving waiver services prior to the service member's transfer, upon the dependent's return to North Carolina, shall be reinstated to the dependent's waiver slot, if the slot remains available, or shall receive a priority position on the waiting list for the next available waiver slot. This section shall not be construed to authorize the provision of waiver services outside of North Carolina. (2016-71, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
