§ 108A-70.40(a) Percentage processed timely is the percentage of cases that received a timely disposition in a given month. The percentage processed timely is calculated by expressing the number of cases during a given month with a processing time equal to or less than the standard set in G.S. 108A-70.37 as a percentage of the total cases receiving a disposition during that month. When the deadline for meeting the timely decision standard in G.S. 108A-70.37 falls on a weekend or holiday, an application that receives a disposition on the first workday following the deadline shall be considered timely for purposes of calculating the percentage processed timely.

§ 108A-70.40(b) The Department is authorized to adopt rules to establish a percentage standard for each county department of social services that will be the percentage processed timely standard for that county department of social services. Until the Department adopts rules establishing percentage standards for each county, the percentage processed timely standards are those established in 10A NCAC 23C .0203 as of April 2016.- (2016-94, s. 12H.17(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
