- § 108C-13(a)
- No provider that has obtained a permit pursuant to G.S. 90-85.21 or G.S. 90-85-21A shall waive the collection of copayments owed by Medicaid recipients with the intent to induce recipients to purchase, lease, or order items or services from the permitted provider. For enforcement purposes, a permitted provider that waives a copayment owed by a Medicaid recipient is in violation of this subsection regardless of the monetary amount that is waived by the permitted provider. A permitted provider shall not be in violation of this subsection if the provider waives a copayment owed by a Medicaid recipient for any of the following reasons:
- (1)

The waiver is authorized under the North Carolina Medicaid program.
- (2)

The permitted provider determines on an individual basis that the collection of the co-payment amount would create a substantial financial hardship for the recipient, provided the waiver of co-payments is not a regular business practice of the provider. For the purposes of this subdivision, a provider shall be considered engaged in the regular business practice of waiving co-payments if the permitted provider holds himself or herself out to recipients as waiving required co-payments.
- (3)

The permitted provider has made a good-faith effort to collect the co-payment amount, but the permitted provider's reasonable collection efforts fail.
- (4)

The permitted provider is a health care facility regulated pursuant to Chapter 131E or Chapter 122C of the General Statutes or that is owned or operated by the State of North Carolina.

§ 108C-13(b) A violation of this section shall result in suspension or termination by the Department of a permitted provider's participation in the North Carolina Medicaid program in accordance with administrative sanctions and remedial measures established by the Department for violations of this section. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
