The Department shall specify the circumstances under which a performance bond or executed letter of credit will be required.

§ 108C-14(b) The Department may waive or limit the requirements of subsection (a) of this section for individual Medicaid-enrolled providers or for one or more classes of Medicaid-enrolled providers based on the following:

- (2) The length of time an individual provider has been licensed, endorsed, certified, or accredited in this State to provide services.

In waiving or limiting requirements of this section, the Department shall take into consideration the potential fiscal impact of the waiver or limitation on the State Medicaid Program. The Department shall provide to the affected provider written notice of the findings upon which its action is based and shall include the performance bond requirements and the conditions under which a waiver or limitation apply.-(2013-360, s. 12H.17(a); 2019-81, s. 15(a).)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
