§ 10B-99(a) In the absence of evidence of fraud on the part of the notary, or evidence of a knowing and deliberate violation of this Article by the notary, the courts shall grant a presumption of regularity to notarial acts so that those acts may be upheld, provided there has been substantial compliance with the law. Nothing in this Chapter modifies or repeals the common law doctrine of substantial compliance in effect on November 30, 2005.

§ 10B-99(b) A notarial act shall be deemed valid if it complies with the law as it existed on or before December 1, 2005. This section applies to notarial acts whenever performed. (2006-59, s. 24; 2006-199, s. 4; 2013-204, s. 1.10.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
