Pursuant to G.S. 50-13.4(f)(1), the court may require the responsible parent to execute an assignment of wages, salary, or other income due or to become due whenever his employer's voluntary written acceptance of the wage assignment under G.S. 95-31 is filed with the court. Such acceptance remains effective until the employer files an express written revocation with the court. The amount assigned shall be increased by an additional one dollar (\$1.00) processing fee to be assessed and retained by the employer for each payment under the order.

FULL SECTION

N.C. Gen. Stat. § 110-136.1 (1981).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
