Upon request of another state, the Department of Health and Human Services shall use automated data processing to search State databases and determine if information is available regarding a parent who owes a child support obligation and shall seize identified assets using the same techniques as used in intrastate cases. Any request by another state to enforce support orders shall certify the amount of each obligor's debt and that appropriate due process requirements have been met by the requesting state with respect to each obligor. The Department of Health and Human Services shall likewise transmit to other states requests for assistance in enforcing support orders through high-volume, automated administrative enforcement where appropriate. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
