After an award to a blind person has been made by the board of county commissioners, and approved by the Department of Health and Human Services the Department of Health and Human Services shall thereafter pay to such person to whom such award is made the amount of said award in monthly payments, or in such manner and under such terms as the Department of Health and Human Services shall determine. COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
