The Marine Fisheries Commission is directed to exercise all regulatory authority over the conservation of marine fisheries resources in the Atlantic Ocean to the seaward extent of the State jurisdiction over the resources as now or hereafter defined. Marine fisheries inspectors may enforce these regulations and all other provisions of law applicable under the authority granted in this section in the same manner and with the same powers elsewhere granted them as enforcement officers.

## Citation

## FULL SECTION

N.C. Gen. Stat. § 113-134.1 (1987).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
