§ 113-169.5(a) Persons aboard vessels not having their primary situs in the State that are carrying a cargo of fish taken outside the waters of the State may land or sell their catch in the State by purchasing a land or sell license as set forth in this section with respect to the vessel in question. The Commission may by rule modify the land or sell licensing procedure in order to devise an efficient and convenient procedure for licensing out-of-state vessels to only land, or after landing to permit sale of cargo.

§ 113-169.5(b) The fee for a land or sell license for a vessel not having its primary situs in North Carolina is four hundred dollars (\$400.00), or an amount equal to the nonresident fee charged by the nonresident's state, whichever is greater. Persons aboard vessels having a primary situs in a jurisdiction that would allow North Carolina vessels without restriction to land or sell their catch, taken outside the jurisdiction, may land or sell their catch in the State without complying with this section if the persons are in possession of a valid license from their state of residence. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
