Persons who are not North Carolina residents are not eligible to obtain licenses under the provisions of this Article except as provided in this section. Residents of jurisdictions that sell commercial fishing licenses to North Carolina residents are eligible to hold North Carolina commercial fishing licenses under the provisions of G.S. 113-168.2. Licenses may be restricted in terms of area, gear, and fishery by the Commission so that the nonresidents are licensed to engage in North Carolina fisheries on the same or similar terms that North Carolina residents can be licensed to engage in the fisheries of other jurisdictions. The Secretary may enter into reciprocal agreements with other jurisdictions as necessary to allow nonresidents to obtain commercial fishing licenses in the State subject to the foregoing provisions. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
