To the extent that the Department is granted authority in this Subchapter over subject matter as to which there is concurrent federal jurisdiction, the Marine Fisheries Commission in its discretion may by reference in its rules adopt relevant provisions of federal laws and regulations as State rules. To prevent confusion or conflict of jurisdiction in enforcement, the Marine Fisheries Commission is exempt from any conflicting limitations in G.S. 150B-21.6 so that it may provide for automatic incorporation by reference into its rules of future changes within any particular set of federal laws or regulations relating to some subject clearly within the jurisdiction of the Department.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
