The Governor is authorized to execute on behalf of the State of North Carolina an amendment to the Compact set out in G.S. 113-252 with any one or more of the states of Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, South Carolina, Georgia, and Florida or such other states as may become party to that Compact for the purpose of permitting the states that ratify this amendment to establish joint regulation of specific fisheries common to those states through the Atlantic States Marine Fisheries Commission and their representatives on that body. Notice of intention to withdraw from this amendment shall be executed and transmitted by the Governor and shall be in accordance with Article XII of the Atlantic States Marine Fisheries Compact and shall be effective as to this State with those states which similarly ratify this amendment. This amendment shall take effect as to this State with respect to such other of the aforesaid states as take similar action.

The states consenting to this amendment agree that any two or more of them may designate the Atlantic States Marine Fisheries Commission as a joint regulatory agency with such powers as they may jointly confer from time to time for the regulation of the fishing operations of the citizens and vessels of such designating states with respect to specific fisheries in which such states have a common interest. The representatives of such states on the Atlantic States Marine Fisheries Commission shall constitute a separate section of such Commission for the exercise of the additional powers so granted, provided that the states so acting shall appropriate additional funds for this purpose. The creation of such section as a joint regulatory agency shall not deprive the states participating therein of any of their privileges or powers or responsibilities in the Atlantic States Marine Fisheries Commission under the general compact.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
