- § 113-291.5A(a)

It is the intent of the General Assembly to recognize that hunting with dogs is a valuable part of the outdoor heritage of the State of North Carolina, and it is further the intent of the General Assembly to encourage cooperative and neighborly agreements between landowners and hunters to allow legal retrieval of hunting dogs.
- § 113-291.5A(b)

Any person, as an owner, lessee, occupant, or otherwise in control of land, who gives permission to a hunter to enter upon the land for the purpose of retrieving hunting dogs that have strayed onto the land owes that hunter the same duty of care the person owes a trespasser. (2015-144, s. 8.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
