

CHAPTER 113B
ARTICLE 2 - ENERGY CRISIS ADMINISTRATION

N.C.G.S. § 113B-22.

Procedures for adopting emergency proposals; emergency powers.

General Statutes of North Carolina, as published by the General Assembly	S.L. 2024-57, s. 3F.2(b) — third act in the lineage	21 September 2026, 04:11 UTC	aa02f8be5a891fd9fce1e5ed - f76536e9b8d5b6ac632ea22b - 2998eee999666484

- § 113B-22(a)

Upon the declaration of an energy crisis, the Governor shall submit to the Legislative Committee for its prompt consideration such emergency orders, rules and regulations as deemed necessary to alleviate the effects of the energy crisis.
- § 113B-22(b)

The Governor shall immediately consult with the Legislative Committee about the emergency proposals. The emergency orders, rules, or regulations shall become effective at a time specified by the Governor, but no earlier than 48 hours after submission to the Legislative Committee, provided that they may take effect only if approved by a majority vote of the Council of State after the Council makes a finding that an energy crisis exists.
- § 113B-22(c)

No order, rule, or regulation promulgated under the provisions of this section shall remain in effect for more than 48 hours unless the Governor consults with the Legislative Committee. Such consultation is separate and apart from the consultation required by subsection (a) of this section.
- § 113B-22(d)

The Governor's orders, rules and regulations, promulgated, subject to consultation with the Legislative Committee, pursuant to this section, may also include, by way of further enumerated example rather than limitation, provisions for the establishment and implementation of programs, controls, standards, priorities, and quotas for the allocation, conservation and consumption of energy resources; the suspension and modification of existing standards and requirements affecting or affected by the use of energy resources, including those relating to air quality control and the hours and

days during which public buildings may or may not be required to remain open; and the establishment and implementation of regional programs and agreements for the purposes of coordinating the energy resource programs and actions of the State with those of the federal government and of other states and localities.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
