The State Board of Education shall adopt rules requiring all public school units to evaluate the following when acquiring technology, computer hardware, and software:

The long-term cost of ownership, including costs of repairing the technology, computer hardware, or software.

Any flexibility for innovation during the life of the technology, computer hardware, or software.

Any anticipated resale or salvage value at the end of the target life cycle for the technology, computer hardware, or software based on the average resale or salvage value of similar technology, computer hardware, or software as a percentage of the initial cost of purchase. (2025-46, s. 1.1(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
