- § 115C-105.49(a)

At least once annually, each public school unit shall require each school under its control to hold a full school-wide tabletop exercise and drill based on the procedures documented in its School Risk Management Plan (SRMP) and shall report the date and time the drill is conducted to the Center for Safer Schools. The drill shall include a practice school lockdown due to an intruder on school grounds. Each school is encouraged to hold a tabletop exercise and drill for multiple hazards included in its SRMP. Schools are strongly encouraged to include local law enforcement agencies and emergency management agencies in their tabletop exercises and drills. The purpose of the tabletop exercises and drills shall be to permit participants to (i) discuss simulated emergency situations in a low-stress environment, (ii) clarify their roles and responsibilities and the overall logistics of dealing with an emergency, and (iii) identify areas in which the SRMP needs to be modified.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
