Notwithstanding any policy or rule adopted by the State Board of Education, if a local school administrative unit provides services to a student under a current IEP from another state while a determination is being made regarding the student's eligibility for services as a child with disabilities in North Carolina, the local school administrative unit is entitled to receive State funding to serve the student while the determination is being made. If the student is later determined not to qualify for services in North Carolina, the local school administrative unit is not required to repay State funds received while the determination is being made. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
