ARTICLE 10 - CAREER AND TECHNICAL EDUCATION

N.C.G.S. § 115C-159.

Statement of purpose.

SOURCE	LAST AMENDMENT IN THIS TEXT	RETRIEVED	SOURCE FINGERPRINT
General Statutes of North Carolina, as published by the General Assembly	S.L. 2017-57, s. 7.23H(e) — seventh act in the lineage	21 September 2026, 01:26 UTC	5d6005652541e2d102d2198f - 9f6a0742cd454623cda2151f - 854ad42534358193

It is the intent of the General Assembly that practical work experiences within the school and outside the school, which are valuable to students and which are under the supervision of a teacher, should be encouraged as a part of career and technical education instruction in the public secondary schools and middle schools when those experiences are organized and maintained to the best advantage of the career and technical education programs. Those activities are a part of the instructional activities in the career and technical education programs and are not to be construed as engaging in business. Those services, products, and properties generated through these instructional activities are exempt from the requirements of G.S. 115C-518. Local boards of education shall adopt rules for the disposition of these services, products, and properties. Local boards of education may use available financial resources to support that instruction.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
