To the extent funds are made available for this purpose, and except as otherwise provided in G.S. 115C-174.11(c)(4), the State Board shall plan for and require the administration of diagnostic tests in the eighth and tenth grades that align to the nationally norm-referenced college admissions test adopted by the State Board through the competitive bid process pursuant to G.S. 115C-174.11(c)(4). The results of the tests shall be used to help diagnose student learning and provide for students an indication of whether they are on track to be remediation-free at a community college or university. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
