Upon recommendations by the Office of Charter Schools and the Charter Schools Review Board, the State Board of Education shall adopt a process and rules for fast-track replication of high-quality charter schools currently operating in the State. The State Board of Education shall not require a planning year for applicants selected through the fast-track replication process. In addition to the requirements for charter applicants set forth in this Article, the fast-track replication process adopted by the State Board of Education shall, at a minimum, require a board of directors of a charter school to demonstrate one of the following in order to qualify for fast-track replication:

The board of directors operates charter schools and can demonstrate both of the following:

a.The majority of charter schools in this State governed by the board of directors has student academic outcomes from the three prior school years that are equal to or greater than the student academic outcomes in the local school administrative unit in which each charter school is located.

b.The board of directors can provide three years of financially sound audits for each school it governs.

The board of directors agrees to contract with an education management organization or charter management organization that can demonstrate both of the following:

a.The majority of the charter schools in this State managed by the organization has student academic outcomes from the three prior school years that are equal to or greater than the student academic outcomes in the local school administrative unit in which each charter school is located.

b.The organization can provide three years of financially sound audits for each school it governs.

The State Board of Education shall ensure that the rules for a fast-track replication process provide that decisions by the Review Board on whether to grant a charter through the replication process are completed

in less than 120 days from the application submission date. The Review Board shall provide a decision no later than October 15 of the year immediately preceding the year of the proposed school opening, and any appeal of the Review Board's decision shall be heard and decided no later than December 1 of the same year. This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
