It shall not be considered a material revision of a charter and shall not require prior approval of the Review Board for a charter school to do any of the following:

Increase its maximum authorized enrollment during the charter school's second year of operation and annually thereafter, provided the school is not identified as low-performing under G.S. 115C-218.94. The maximum authorized enrollment is the target enrollment number identified in a school's charter. The maximum authorized enrollment may only be updated once per year and shall not decrease based on actual enrollment.

If a school is low-performing under G.S. 115C-105.37A and has planned growth authorized in its charter, increase its maximum authorized enrollment during the charter school's second year of operation and annually thereafter in accordance with planned growth as authorized in its charter.

Expand to offer one grade higher or lower than the charter school currently offers if the charter school has (i) operated for at least three years, (ii) has not been identified as continually low-performing as provided in G.S. 115C-218.94, and (iii) has been in financial compliance as required by the rules adopted by the State Board.

Relocate the charter school within a 10-mile radius of the location specified and approved in the charter so long as the new location is located within the same local school administrative unit as the location specified and approved in the charter. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
