The Department shall establish eligibility guidelines and shall award funds consistent with the following requirements:

- (1) In determining extraordinary transportation costs, the Department shall consider total prior-year transportation expenditures for homeless and foster children, including expenditures from local funds and all other funding sources, as a proportion of total expenditures.
- (2) Priority shall be given to applicants in proportion to the extent that their applications and prior-year expenditures demonstrate use of available federal funds to cover the cost of transporting homeless and foster children.
- (3) Awards shall not exceed fifty percent (50%) of extraordinary transportation costs as determined pursuant to this subsection.
- (4) Awards shall not be issued on a pro rata basis to each eligible applicant.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
