§ 115C-269.45(b)

Revocation. - Any revocation of an EPP's accountability status shall meet the following criteria:

(1) Complies with the requirements of notice as described in subsection (f) of this section.

If necessary, the State Board and other EPPs shall cooperate to assist the previously admitted students of the revoked EPP to complete their training.

The rule shall include the number of students necessary to qualify for the exception and the alternative method of performance assessment and assignment of sanctions. The rule may provide for measuring performance of small student groups cumulatively over multiple years for EPP accountability purposes.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
