Local school administrative units shall evaluate all principals and assistant principals at least once each year. Either the superintendent or the superintendent's designee shall conduct the evaluations.

The State Board of Education shall ensure that the standards and criteria for the evaluations include the accountability measures of teacher retention, teacher support, and school climate. The State Board shall revise its evaluation instruments to include these measures. A local board shall use the performance standards and criteria adopted by the State Board unless the board develops an alternative evaluation that is properly validated and that includes standards and criteria similar to those adopted by the State Board. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
