§ 115C-316.5(a) For the purposes of this section, the term "school health personnel" refers to the same positions listed in G.S. 115C-316.2(a).

§ 115C-316.5(b) To the extent funds are made available, the State Board of Education shall establish a funding allotment for school health personnel positions. The State Board is authorized to adopt rules for the allocation of school health personnel positions pursuant to this allotment. Rules adopted by the State Board pursuant to this section shall include, at a minimum, the following requirements:

- (1) School health personnel positions are allocated on the basis of average daily membership.
- (2) Each local school administrative unit receives sufficient funding for at least one school psychologist position.
- (3) Local school administrative units are encouraged to fill positions under this allotment with full-time, permanent employees. If the local school administrative unit is unable to fill these positions by hiring a full-time, permanent employee, the allocation for the position may be converted to a dollar equivalent for the unit to contract with a third party to provide the relevant services for an amount of hours equivalent to the hours a full-time position employee would provide. (2021-180, s. 7.6(a); 2023-134, s. 7.27(g).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
