The State Board of Education shall provide funds for liability insurance for nonteaching public school personnel to the extent that such personnel's salaries are funded by the State. The insurance shall cover claims made for injury liability and property damage liability on account of an act done or an omission made in the course of the employee's duties. As provided by law or the rules and policies of the State Board of Education or the local school administrative unit, the State Board of Education shall comply with the State's laws in securing the insurance and shall provide it at the earliest possible date for the 1982-83 school year. Nothing in this section shall prevent the State Board from furnishing the same liability insurance protection for nonteaching public school personnel not supported by State funds, provided that the cost of the protection shall be funded from the same source that supports the salaries of these employees. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
